It is a great pleasure of the International Society of Environmental and Rural Development (ISERD) to welcome you all to Sakon Nakhon, Thailand, for the upcoming event of **the 10th International Conference on Environmental and Rural Development (10th ICERD)**. Kasetsart University, Chalemphrakiat Sakon Nakhon Province Campus, Thailand, is very delighted to host this significant event to be held during **14th - 15th February, 2019**. **Sustainable Agricultural and Rural Development to Improve Quality of life and Society** is the theme of the 10th ICERD and the 2nd NIC. The main objective of this conference is to discuss and develop the effective processes, systems and strategies for sustainable rural development taking into account of agricultural and environmental aspects in developing countries. Scientists and facilitators of all disciplines belonging to international, governmental or non-governmental organizations are invited to participate and submit contributions.
