

## 10<sup>th</sup> ICERD Venue

The conference will be held in Information Technology Building (Building no.9) on Kasetsart University Chulalongkrajit Sakon Nakhon Province Campus (KUCSC) established on August

15<sup>th</sup>, 1996 as the third campus of Kasetsart University (KU). The campus name is to mark Thailand auspicious occasion, the 50<sup>th</sup> anniversary of the late King Rama IX accession to the throne. KUCSC is developed in responding to the need of tertiary education and to become an academic excellence institution advocating to researches, teaching and academic services for students and people specifically from the Northeastern part (E-sarn) of Thailand. KUCSC comprises of two main area. The campus itself locates on the 770 hectares, once was a small airport activated during Vietnam War and was presented to KU with the courtesy from Royal Thai Air Force. Another part of the campus is the Nonghan Chalermprakiat Sanctuary locates on 107 hectares and was donated to KU by Department of Fisheries. Currently the sanctuary functions as a fishery research station and the study ground for fishery students and it is the site of a gorgeous lotus garden that worth visiting especially in the winter.

In the near future KUCSC aims to raise the better quality of our graduates, equip them with higher morality and ethics. To support the society, KUCSC aims to search for the better core knowledge in both pure sciences and human sciences whereas distributes and shares the findings to public domains for the well-being and happiness of Thai citizens.

Address: 59 Moo.1, Chiang Krua Subdistrict, Muang District, Sakon Nakhon 47000,  
THAILAND
